

CENTRAL BOARD MINUTES
February 22, 1944

The meeting was called to order by President Jack Cuthbert and the minutes of the February 15 meeting were read and approved.

Ed Voldseth, chairman of Convocations Committee, reported on the activities of that committee and stated that only one dollar has been spent for convocation expense so far this year. He tendered his resignation as chairman of that committee.

As Public Relations chairman, Voldseth announced that a tour of eastern Montana is scheduled for the week of April 2. Three University students and two representatives from Montana State College will go on the trip. He requested a \$6 appropriation from Central Board for stationery and stamps, as the advance from the University covers only expenses of the tour. Hansen moved that Central Board appropriate \$6.00 to the Public Relation Committee for stationery and stamps. The motion was seconded by Murphy and it carried.

Financial reports were presented by Marguerite McGreal, president of W.A.A. and by Lorraine Griffith, Sentinel editor.

The possibility of sending Kaimins to former students who are now in the service was again discussed. The matter will be referred to Publications Board for further consideration.

Cuthbert asked the Board's opinion regarding the sale of tickets for the February 29 Community Concert to aviation students. He said that there will be approximately 150 student seats available. Pearson moved that 150 tickets at 40 cents each be sold to the C.T.D. for the Community Concert on February 29. Dillavou seconded the motion and it carried.

Meeting adjourned.
